

# Let me see that!

## New for 2007

## DVD's For Educators

**Catalog Number: P279**

**Title: How to Involve All Parents in Your Diverse Community**

**Imprint:** ASCD, 2007.

**Physical Description:** DVD

**Summary:** This program explores a culturally diverse elementary school where educators provide a welcoming environment for all parents and families.

**Catalog Number: P280**

**Title: How to conduct Effective High School Walkthroughs**

**Imprint:** ASCD, 2007.

**Physical Description:** DVD, 16 min.

**Summary:** The practice of conducting classroom walkthroughs is explained and illustrated by Ted R. Haynie, of the Calvert County MD School District, and Principle George Miller, and Vice-Principle Mai-sha Gillins, and participating teachers, at Northern High School, Owens, MD.

**Catalog Number: P281**

**Title: How to Improve Content Understanding Using Reading Strategies**

**Imprint:** ASCD, 2007.

**Physical Description:** DVD, 15 min.

**Summary:** This program shows high school biology teachers using several reading strategies including foldables, quickwrite, vocabulary bingo, booklets, and prewriting to bolster their students' reading skills while conveying essential biology and science content. Teachers confront critical issues related to important classroom decisions, such as why to teach reading and writing in science, what students need to understand to be able to comprehend and apply science texts, and how to teach important vocabulary essential to the subject.

**Catalog Number: P299**

**Title: Learning to think...thinking to learn:  
the pathways to achievement**

**Imprint:** ASCD, 2007.

**Physical Description:** DVD, 90 min.

**Summary:** Illustrates research-based strategies for helping students improve their thinking skills so they can succeed in reaching curriculum standards. The program explains techniques for introducing a thinking skill to students, providing guided practice with appropriate scaffolding, and supporting students in transferring the skill to other subjects or contexts. Included a Comprehensive User's Guide.

**Catalog Number: P297**

**Title: A Visit to a School Moving Toward Differentiation**

**Imprint:** ASCD, 2007.

**Physical Description:** DVD, 30 min.

**Summary:** Scenes from an elementary school show how to build a professional learning community committed to a philosophy of excellence and equity. And interviews with teachers explain how school leaders can find out what teachers need, help them to think differently about the curriculum, and engage them in professional development that helps them advance student achievement.

Included a Comprehensive Viewer's Guide.

**Catalog Number: P298**

**Title: Meaningful Math**

**Imprint:** ASCD, 2007.

**Physical Description:** DVD, 90 min.

**Summary:** Regardless of how well your students performed on the latest math assessment, how can you make sure that your program is teaching students the essential math concepts that they'll need for the next assessment and beyond? This program explores that question and introduces you to what schools and teachers are doing to engage students in math lessons that promote deeper understandings of math curriculum. Includes a Comprehensive User's Guide.
