

LET ME SEE THAT!

Tuskegee Airmen February 2005 Social Studies

Standard #1: Key Idea 1: The study of New York State and United States history requires an analysis of the development of American culture, its diversity and multicultural context, and the ways people are unified by many values, practices, and traditions.

Performance Indicator:

analyze the development of American culture, explaining how ideas, values, beliefs, and traditions have changed over time and how they unite all Americans

Standard #5 **Key Idea 1:** The study of civics, citizenship, and government involves learning about political systems; the purposes of government and civic life; and the differing assumptions held by people across time and place regarding power, authority, governance, and law. (Adapted from *The National Standards for Civics and Government, 1994*)

Performance Indicator: analyze how the values of a nation and international organizations affect the guarantee of human rights and make provisions for human needs.

ELA

STANDARD #2: Students will read, write, listen, and speak for literary response and expression.

Students will read and listen to oral, written and electronically produced texts and performances, relate texts and performances to their own lives, and develop an understanding of the diverse social, historical, and cultural dimensions the texts and performances represent. As speakers and writers, students will use oral and written language for self-expression and artistic creation.
