School District

---

Building

If there are any questions regarding the *Member Plan*, please check with your School Library Media Specialist or call the School Library System at 464-5104. Please note the deadline for the submission of the *Member Plan* is **June 13, 2008**.

**Assurances**

I have read the attached member plan of the library resources and services, as required by the Commissioner's Regulations 90.18. We will use this self-assessment tool to improve the library media center program. I assure the State Education Department that we will make every effort to provide adequate qualified staff to administer the library program, including School Library System responsibilities.
